:

THIS MATTER was opened to the New Jersey Occupational Therapy Advisory Council ("Council") upon the application of Nathalie Gagneux ("respondent") for a license to practice occupational therapy. In connection with that application, the Council received information that during a period commencing on or about December 1, 2005 until December 23, 2005, respondent engaged in the practice of occupational therapy at Kessler Rehabilitation Center. Respondent had failed the National Board for Certification in Occupational Therapy ("NBCOT") examination in November 21, 2005 and at such, pursuant to N.J.S.A. 45:9-37.67, her temporary license expired on the date respondent was notified of the failure. Despite notification of the failure, respondent

continued to engage in the practice of occupational therapy at Kessler Rehabilitation Center until December 23, 2005 in violation of N.J.S.A. 45:9-37.59 and N.J.A.C. 13:44K-8.3.

It appearing that the Respondent desires to resolve this matter without further proceedings and the Council finding entry of the Consent Order to be in the public interest:

IT IS ON THIS 13 day of June, 2006 **ORDERED** and **AGREED** that:

1. A license to practice occupational therapy in the State of New Jersey shall be issued to respondent upon completion of all requirements for licensure.

2. Respondent shall pay a civil penalty in the amount of \$250.00 for practicing occupational therapy without a license. Further, the penalty shall be paid immediately by either certified check or money order made payable to the State of New Jersey and submitted to Laura L. Anderson, Executive Director, Occupational Therapy Advisory Council, 124 Halsey Street, PO Box 45037, Newark, New Jersey 07101.
